MEMORANDUM FOR: USIB Principals  
Chairmen, USIB Committees

SUBJECT: The USIB Committee Survey Task Group Report

1. Attached for your information is a report, title as above, prepared by the Intelligence Community staff.
2. You will recall that in my statement on "National Intelligence Officers" which I distributed at the USIB meeting of 23 August, I commented that "no change will be made in the present USIB committee structure or functioning by reason of the establishment of NIOs, although that structure may be independently reviewed for possible change after some experience with the NIO concept."
3. Since comments were obtained from USIB principals and USIB committee chairmen in the course of preparation of the attached study, I am providing you copies of the study as a reference for our future consideration of both the role and organization of USIB committees.

W. E. Colby  
Chairman
